### DISCUSSION POINTS:

Summit review – evals were very positive toward location and speakers.

One or two said the location was difficult to find, poor signage.

Two said the presentation on Friday was more entertaining than learning.

Two said they would like to see more breakouts by officer position – however, this is what is done at the Global Summit and we decided not to duplicate.

HDI AOY – participation to be reported to Sophie. Anticipated participation from:

DC

DelVal

Baltimore

Connecticut

New York City – still working on getting nominees

We discussed methods for judging. Several chapters do both phone interviews and evaluation of applications. Judging is done in Excel. Questions and rating created by judges.

Catherine McAnally is beginning to form a chapter in Scranton, PA and asked how ensure attendance. Several offered that they send postcards in addition to email notices for major events as well as calling campaigns, providing meeting details on their website. Consider even having meeting every other month for participation.
