

Official curriculum of HDI.

HDI's official curriculum addresses the needs of support professionals throughout their careers and the various maturity levels of their support operations. It presents the business processes and soft skills required to increase productivity, profitability, and improve customer satisfaction.

"I enjoyed this course immensely.

The instructor's wide span of knowledge was remarkable. She was able to relate items in her knowledge repertoire course — exceptional!"

— Diane Wolf,

Comforce Corporation

"This is an excellent course. It helped me gain perspective and understand the new role I am filling."

— Nick Cohs,

Global Help Desk Services

Course Overview

Support center team leads serve as the communication link between the team and the manager as well as the first point of internal escalation for the customer.

HDI Support Center Team Lead (HDI-SCTL) training ensures that participants learn how to deliver exceptional customer support, promote process improvement, coach for success, and take charge of the day-to-day operational activities of a team. This course is designed for support professionals who need to develop fundamental management and leadership skills.

What You Will Learn

- ▶ Essential team lead management and leadership skills
- ▶ The importance of service level agreements, and operating level agreements
- ▶ The ITIL® processes of incident, problem, change, release, asset, and configuration management
- ▶ An overview of security management and knowledge management
- ▶ Strategies for managing conflict
- ▶ The essentials of people management: hiring, scheduling, evaluating, and retaining employees
- ▶ An eight-step method for effective coaching
- ▶ Proven team-building and motivational techniques
- ▶ Essential performance metrics and key performance indicators

Who Should Attend

- Technical support professionals who must understand support center processes and best practices and master important daily functions like quality assurance monitoring, coaching, and escalation
- Individuals who are preparing for the HDI Support Center Team Lead (HDI-SCTL) certification exam
